FUSAICHI ZENON is a grade one winning son of the mighty Sunday Silence, out of a stakes winning mare from the family of FAPPIANO, CLABBER GIRL, KEEPER HILL and HONOUR AND GLORY. He is a brother to graded winner AGNES GOLD and stakes winner LIMITLESS BID.

FUSAICHI ZENON is a product of the SUNDAY SILENCE/NORTHERN DANCER cross, which gives linebreeding to ALMAHMOUD, granddam of NORTHERN DANCER and HALO. He should cross well over other NORTHERN DANCER lines, notably NIJINSKY II, DANZIG, DIXIELAND BAND, LYPHARD, VICE REGENT and his son DEPUTY MINISTER (who looks particularly good here), NUREYEV, SADLER'S WELLS and STORM BIRD/STORM CAT.

The cross of SUNDAY SILENCE and his sons over MR. PROSPECTOR line mares has produced more than 20 stakes winners, including out of mares descending from MISWAKI, WOODMAN, SEEKING THE GOLD, MINING, MACHIVELLIAN, CONQUISTADOR CIELO, GULCH, KINGMAMBO, AFLEET and GONE WEST. MR. PROSPECTOR would be particularly interesting through FAPPIANO, a half-brother to the third dam of FUSAICHI ZENON.

SUNDAY SILENCE is by HALO and that line has crossed well over IN REALTY and IN REALTY's son RELAUNCH, who would be good here, particularly through HONOUR AND GLORY, who is from FUSAICHI ZENON's family and who is out of a mare by AL NASR, who is bred on the same cross as the dam of FUSAICHI ZENON.
